CASE CALLED FOR AN ORDER TO SHOW CAUSE HEARING AS TO  
VIOLATIONS OF SUPERVISED RELEASE.

Counsel for defendant informs that he has discussed with defendant the violations, as so mentioned by the probation officer, and that he has no evidence to rebut. Nonetheless, he requests the disclosure of the previous pre-sentence pertaining to the original charges. Government's counsel also requests the disclosure of that report.

Due that the defendant has no evidence to rebut the findings of the probation officer and that he has not been able to benefit from the various occasions that he has been referred to drug rehabilitation programs, Magistrate Delgado-Colón finds probable cause for the supervised release term be revoked and a Report and Recommendation will be issued.

The previous pre-sentence report is to be made available to both attorneys for their inspection.
